

SANTANA ROW EMPLOYEE PARKING RIGHTS

Updated: December 16, 2024

Parking rights are provided to employees on a calendar month basis, running from the first through the last day of the month. The monthly parking fee is payable up to three (3) months in advance. Parking Fee is due and payable on the first day of the month and must be paid no later than five (5) days after the due date. Failure to do so will automatically cancel your monthly parking services and the employee will be charged the prevailing daily parking rate. No deductions or allowances from the monthly rate will be made for days the customer does not use the parking facility. Employees that request and are granted parking privileges before the 15th of the month will still be required to pay the full amount for the month. Employees that request and are granted parking privileges on the 16th of the month or after will be required to pay one-half (1/2) of the monthly amount for the first month of parking. No deductions or allowances from the monthly rate will be made for days the customer does not use the parking facility.
